LATEST FASHIONS DEMAND
J. W. Bradley's Celebrated Patent DUPLEX ELLIPTIC (OR DOUBLE SPRING) SKIRT.
They will not bend or break like the Single Spring, but will preserve their perfect and graceful shape when three or four ordinary Skirts will have been so twisted and distorted. The Hoops are covered with double twisted thread, and the bottom rods are not only double springs, but twice (or double) covered, preventing them from wearing out when dragged down stairs, &c., &c.
The wonderful flexibility and great comfort and pleasure to any lady wearing the Duplex Elliptic Skirt, will be experienced particularly in all crowded Assemblies, Operas, Carriages, Railroad Cars, Church Pews, Arm Chairs, for Promenades and House Dress, as the Skirt can be folded when in use to occupy a small space as easily and conveniently as a silk or muslin dress, and will retain its shape, and not be found in any Single Spring Skirt.
A lady having enjoyed the pleasure, comfort, and great convenience of wearing the Duplex Elliptic Skirt for a single day, will never be willing to willingly dispense with their use. For Children, Misses and Young Ladies, they are superior to all others.
The Duplex Elliptic is a great favorite with all ladies, and is universally recommended by the Fashionable and the STANFORD SKIRT OF THE FASHIONABLE WORLD.
To enjoy the following inestimable advantages in crinoline, viz: superior quality, perfect manufacture, stylish shape and finish, flexibility, durability, comfort and economy, inquire for J. W. Bradley's Duplex Elliptic, or Double Spring Skirt, and be sure you get the genuine article.
CAUTION.To guard against IMPOSITION, by cheap imitations, the red ink stamp, viz., "J. W. Bradley's Duplex Elliptic Skirt Springs," upon the waistband—none other are genuine. Notice that every Hoop will admit a pin being passed through the center, thus revealing the two (or double) springs braided together therein, which is the secret of their flexibility and strength, and a combination of all the most valuable qualities.

LYON'S PERIODICAL DROPS!
THE GREAT FEMALE REMEDY FOR IRREGULARITIES!
I have tested these Drops in my own practice, over ten years, and do not hesitate to say, that nothing has yet been developed by medical research, that acts so powerfully, positively, and harmlessly, in cases of female irregularity, as does this medicine. In all recent cases it never fails, while thousands who have been long sufferers, are indebted to it for the power of health to-day.
Although so powerful and positive, they are perfectly harmless, and may be used at all times, except when specially forbidden in the directions.
They have been extensively employed by eminent physicians in France and England, as well as in my own practice, over ten years, and I have yet to hear of the first instance of failure. I could give you testimonials of their efficacy from ladies all over the Northern and Western States, were they not in their nature private. Over 100,000 bottles have been sold the past year, and I hope and trust as many sufferers have been benefited. I am well aware that a remedy so potent to remove all obstructions, may be used for a bad purpose, but trust that where one bottle is thus used, ten may fall into the hands of really needy sufferers.
To all who suffer from any irregularity, painful, difficult, excessive, offensive or obstructed Menstruation, Leucorrhoea, or the train of diseases that follow, I would say, try a bottle of Dr. Lyon's Female Periodical Drops. Being a fluid preparation, their action is more direct and positive than any pills or powders. Explicit directions, bearing my fac-simile, accompany each bottle.
They may be obtained of nearly every druggist in the country, or by enclosing the price to C. G. CLARK & CO., New Haven, Conn., General Agents for the United States and Canada.
